## **Workshop Implementation:**

The workshop started at 10 am highly enthusiastic faculty of various DIETS and SCERT Officials.

D.Madhusudhan Rao, the Director SCERT inaugurated the workshop and welcomed the collaboration with MGNCRE. He urged the participants to participate actively in the workshop and come up with a community engagement curriculum that will benefit the student teachers and school students of the state. He also welcomed the integration of Gandhian ideology revolving around ability, confidence building, tolerance and skills in the present education system. There were also discussions on conduct of faculty development programmes so as to implement Nai Talim at all levels of education in the state.

MGNCRE Resource Person shared the background and the objectives of the programme and the one day workshop.

The participants introduced themselves in the first session as per the schedule, which was followed by a quick overview on Nai Talim that was shared by MGNCRE Resource Person.

This was followed by the preparation of Experiential Learning Activity Plan for school curriculum by each participant individually. The activities were related to various typologies and practicum aspects as detailed in the Chapter 7 of the experiential learning book

After a lunch break, the session that followed was to create an Experiential Learning Activity Plan for D.Ed Curriculum. In the session the participants were formed into triads. Each triad selected one activity from the D Ed Curriculum in the Experiential Learning book. Each team created an experiential learning plan and presented their ideas to the other groups

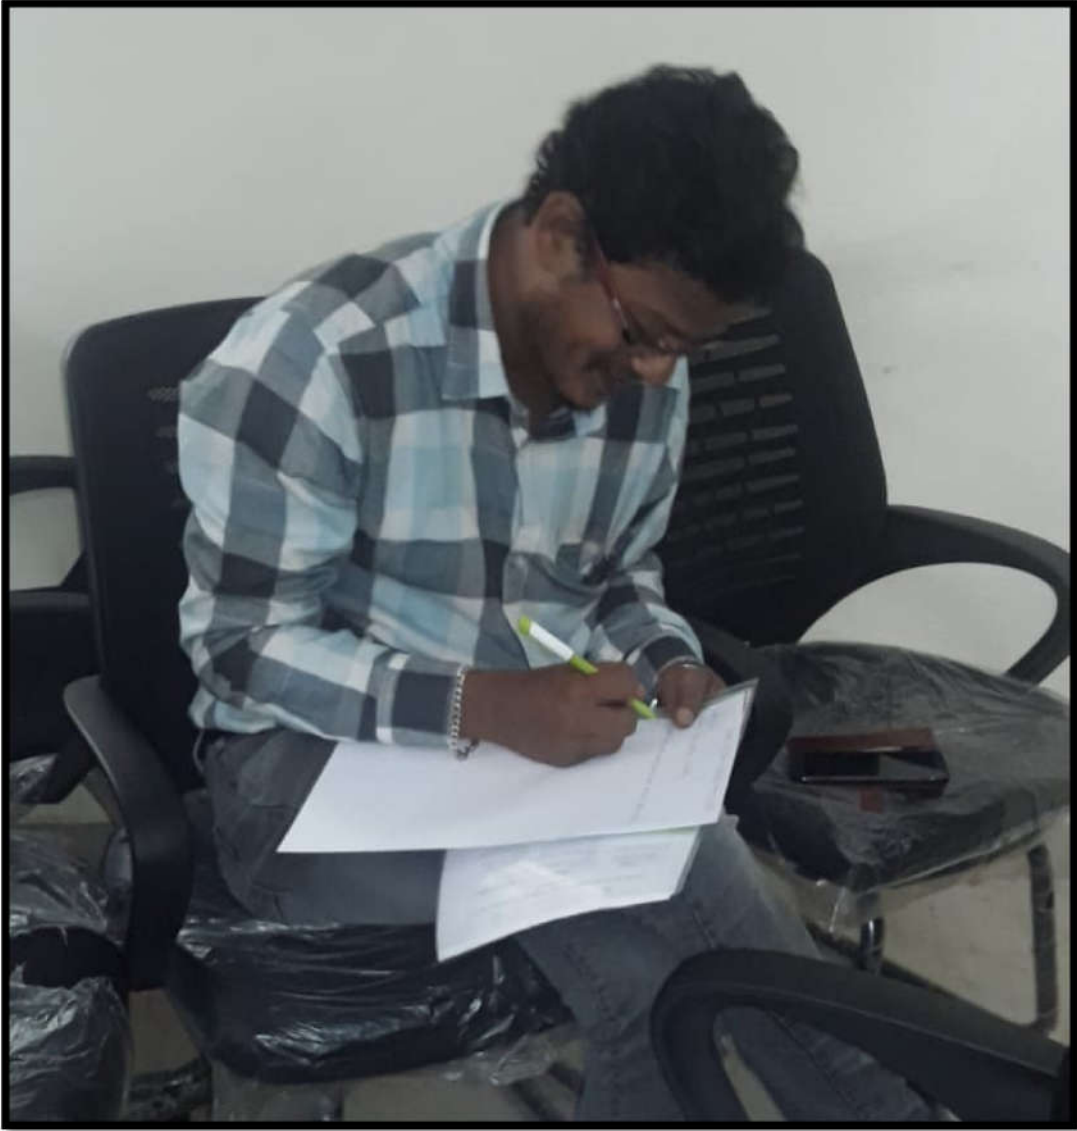

This was followed by a discussion on the Nai Talim curriculum customisation for implementation in the D Ed Curriculum and proposed dates for Master Trainer Development programme

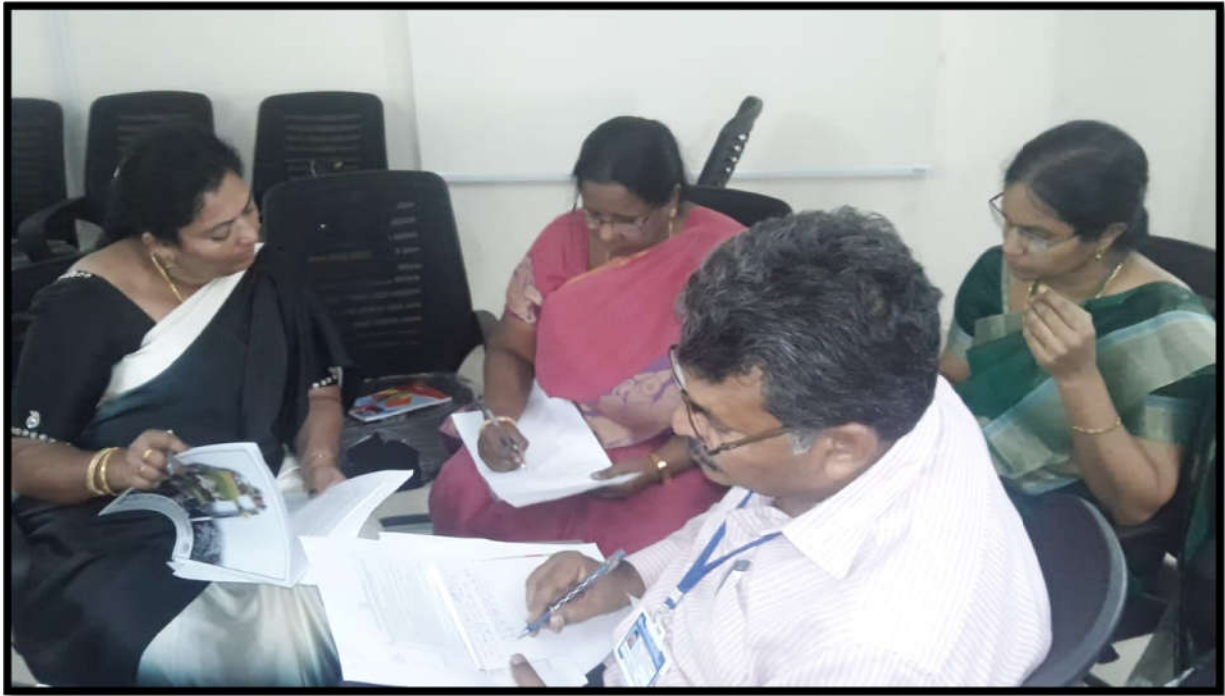

The workshop ended with a filling up a feedback form and the valedictory session Certificates of Participation were handed over to all the participants.

Vote of thanks was proposed by the Programme Coordinator, MGNCRE.

Any other feedback In Andhra Pradesh, Project works  
are in force which are like this programme.

☹️ Some activities are given in the text books  
Now, what is to be designed is  
to take it to the ground level and  
see that it is implemented 100%.
