## **Workshop Implementation:**

A one-day workshop on Nai Talim was conducted at SCERT office on September 28 involving 29 participants.

Inaugurating the workshop, Lalitha Tiwari, joint director of Basic Education, emphasised the importance of experiential learning in the contemporary world. Gandhian pedagogical principles need to be followed for the child's overall development. Education needs to be value-based and skill-based, Lalitha said.

The workshop was conducted under the guidance of Dr Sanjay Sinha, director SCERT, with the involvement of Deepa Tiwari, additional director of SCERT, Sarvani Panday, senior academic consultant MGNCRE.

After the inaugural session, there was presentation on Nai Talim. Individual and group-activities followed. After the valedictory session, certificates were distributed to participants. The participants later shared their experiences with the director SCERT Dr Sanjay Sinha.

Dr Sanjay Sinha was informed about the plight of a rural school that covered 16 villages. That school offered education only till 8<sup>th</sup> standard. After completion of 8<sup>th</sup> standard, many rural girls were forced to quit studies and take up other activities. When this was brought to his notice by MGNCRE team, immediate action was taken to develop that school so that it can offer education up to 10<sup>TH</sup> standard!

### **ACTION PLAN PROPOSED**

It was resolved that Nai Talim could be taken forward with the involvement of community and by conducting many workshops involving different stakeholders in the community. It was decided that MTDP would be conducted between 22<sup>nd</sup> and 26<sup>th</sup> Oct at Hardoi DIET, Lucknow.
