About MGNCRE

Mahatma Gandhi National Council of Rural Education under the Ministry of Human Resource Development in Government of India strives to promote resilient rural India through Higher Education interventions. MGNCRE designs, develops and promotes curriculum inputs for higher education programmes offered by Universities and Autonomous Institutions in India. The higher educational streams of focus for MGNCRE include: Rural Studies, Rural Development, Rural Management, Social Work and Education. The curriculum inputs are both theoretical and practical field-related relevant to rural India.

Vision: To involve higher education curriculum in India in the process of building resilient rural India i.e., “Uthkrishat Gram for Unnat Bharat”

Mission: Formulate and recognise curricular inputs and accredit courses and higher educational institutions, which enable development of sustainable, climate and disaster resilient rural livelihoods.

The Council seeks to strengthen the rural higher education curriculum and the faculty members transacting it. Empowerment of the functionaries will be a well designed corollary. Capacity building and professionalization of Rural Institutes, skill development, entrepreneurship, livelihoods, community initiatives, creativity of local groups and proactive development action constitute the core content of MGNCRE research and interventions. The curriculum development programmes of MGNCRE mainly include Faculty Development Programmes, Workshops and Round table discussions. As part of its proactive and continuing Research and Training endeavour, the MGNCRE has to date initiated Research Projects in different parts of the country.

MGNCRE has established a Faculty Development Centre (FDC) under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching in its campus in Hyderabad to cater to the Faculty Development needs of all the Central and State Universities on the issues related to Gandhian philosophy and Rural Engagement.

PMMMMNMTT- MGNCRE FDC focuses:

- To enable faculty to engage in Case Discussion Methodology for Management (Rural Management) Curriculum transaction
- To ensure that Faculty Members of Teacher Education in various Universities adopt Experiential Learning – Gandhiji’s Nai Talim
- To enable faculty to conduct Action Research Project based Curriculum Transaction

Case Discussion for BBA Rural Management

Case discussion methodology is essential experiential learning methodology for training in problem solving. Case discussion methodology for promoting management education especially rural management is proposed here. The rural economy has a vast potential for development through micro, social and innovative enterprises. Higher education Institutions need to participate in contributing to Rural Enterprise and Rural Entrepreneurship. It needs capacity building and human resources development in the critical areas of market linkages, rural entrepreneurship, rural technology development, microfinance, livelihoods and skill development, natural resources management, management of agriculture and technical assistance in the areas of health, education, management of village sanitation and infrastructure development.

Thus, a three year rural management program developed with a multi-disciplinary approach equips the students to tap the emerging and growing opportunities in the public and private domains of rural sector. This program will dwell into specially identified rural oriented courses that cover general principles of management and the core subjects provide students with basic analytical, decision making and inter personal skills.

The context and the focus are rural. This program stands out for its rural engagement component- in-depth rural field exposure, duration and frequency. It has three components of field engagement and learning opportunities for students, covering a Government Organization, an NGO and a commercial rural enterprise like a co-operative or social business enterprise. Vast online repositories through university libraries and other digital media provide a unique ability for Higher Education Institutions to share success and failure case studies and experiences in ways that were unimaginable earlier.

About the FDP

Objectives:

1. To demonstrate various methods of teaching especially Case Teaching Methodology
2. To familiarize with the course structure and curriculum in BBA RM
3. To familiarize with the First Semester Subjects in BBA RM
4. To introduce various aspects of Rural Management
